POST 99 VOLUNTEER CREDIT PROGRAM FAQ

Post 99 needs your help, and we're offering REAL, 100% LEGAL, TAX-FREE Post 99 Volunteer Credits of $25/hour for your time as a volunteer!

Who can volunteer and earn Credits? Any AMVETS, Auxiliary, or Sons member in good standing with a valid {not expired) membership card may participate.

When can I volunteer and earn Credits? Every Friday and Sunday night the Canteen is open, from 8 PM to 12 AM.

What do I have to do? The Sons have been asked to step up and take over running the Canteen door. You'll always be working with an experienced Son who will help and train you. Our responsibility is limited to 1.) checking for valid (not expired) AMVETS, Auxiliary, or Sons membership cards, and 2.) checking State-issued ID (driver's license or ID card) to ensure patrons are age 21 or over. Valid (not expired) members are admitted free of charge. We collect the cover charge for invalid (expired) members and all non-members (public visitors over age 21).

How and when do I receive my $25/hour in Credits? You'll be issued "Post 99 Volunteer Credit" tickets immediately after completing your shift. Each is worth $1. You can earn up to 100 Credits per night if you work all four hours, but you can schedule shifts as short as one hour–we offer flexibility to volunteer and earn Credits.

What are my Credits good for? You can redeem your Credits for anything rung up at the Canteen cash register: drinks, food, apparel from the Quartermaster, and even game tickets sold over the bar. Bartenders WILL NOT make change; that's why Credits are issued in $1 increments. You can also use Credits for anything paid for through the Sons office: membership dues, hotel rooms for our local (or even National) Conventions and Conferences, Lifetime memberships, etc.

What are my Credits NOT good for? You MAY NOT use Credits for tipping. Please tip using cash unless a bartender agrees to accept Credits. Also, Credits have NO CASH VALUE. Bartenders may NOT exchange them for cash for gaming out on the walls (video or paper pull-tab machines). This is an ILLEGAL GAMING VIOLATION. Do NOT ask them to do so.

I've earned more Credits than I can use! Can I sell them? Yes! This is completely legal because the "fraternal benefit" the Credits carry remains within Post 99. Just be certain you sell them to any AMVETS, Auxiliary, or Sons member in good standing with a valid (not expired) membership card.

How and why are we doing this? There has to be a catch! No, there's no catch. We're doing this for the same reason we should be doing anything here; to help veterans and their families. This is 100% legal because the money stays within Post 99 and Credits have NO CASH VALUE. Since they're tax-free, it's like earning over $30/hour rather than $25!

I'm in! How do I get started? Email the Sons at indysons99@gmail.com, leave a note in the inbox on the Sons office door, or text Sqn. 99 Comdr. Todd Bettenhausen at 317-370-1551 to get on the schedule.

We've worked hard to offer this great new program and we hope you'll take advantage of it. Volunteering brings you real benefits and allows us to utilize shared revenue from Post 99 to further our participation in and donations to veterans' causes, which will ALWAYS be made transparent and fully disclosed to anyone upon request. LET'S GO AMVETS FAMILY!

Respectfully yours in continuing service,

Todd Bettenhausen
